#### Tutor Spotlight - Instructor of the Month

My name is Candace Goff. Working with children is my heart and soul. I've been working kids since I graduated high school. I've been a cheer coach, sports coach, after school tutor, Teachers Assistant, Special Ed TA, and now a Substitute Teacher. I'm in HEAVEN and so in my element and would not change my life for the world. I work with AWESOME, loving, genuine people at LELC and I'm honored to be just a small part of the team where children are our top priority and learning is made fun.

### Importance of SAT

Why A Good ACT / SAT Score is more important than ever. Most competitive colleges value standardized tests more than ever. Over the last 25 years, more and more competitive colleges have emphasized high test scores because it gives them a way to evaluate students with disparate school records.
