Tutor Spotlight - Instructor of the Month: Eric Muro

Eric Muro has been working at LELC for almost two years where he has flourished and become an essential in-demand academic coach. Eric is currently attending Cal State Pomona pursuing a BA in Mathematics with a sub plan in applied Math and Statistics.

He isn't afraid to be wrong, "I also put a lot of value behind being wrong, as I think students who are blandly given the correct answers aren't being taught as well as they can be if the tutor is willing to try the wrong thing and really figure out why the right answer is the right answer."
